# WORLD CUP REBELS

SKI RACE COLLECTION  
2020/21

**Designed for Alpine skiing and for the next generation of ambitious amateurs!**

The Race Collection has been underlining the core business of HEAD Sportswear as a manufacturer of performance ski clothing for years. Racing suits in the classic race colors white, black and yellow make the foundation of this collection. For a bit of extra warmth they can be combined with short slalom trousers with braces, softshell or powerstretch shirts as well as light insulating jackets. The long rain jacket with sealed seams is keypiece of the Race Collection that keeps you dry in a stylish way.

T-shirts, caps and belts in the Race design round off the line and also make the Race Collection versatile for the town.
